

## Village of Carmacks Housing Development Grants

### Instructions to Prospective Applicants

April 22, 2026

#### ***Overview***

The following instructions are intended to support prospective applicants through the Spring 2026 Housing Development Grant intake process. The intake will formally start on Tuesday, April 28 at 9:00 a.m. and end on Friday, May 29 at 4:00 p.m.

#### ***How do I get started?***

Please review Section 3.0 of the Eligibility Housing Development Grant Policy (available online at [www.carmacks.ca/housing-grant](http://www.carmacks.ca/housing-grant) or at the Village of Carmacks office) to ensure that you/your organization meets the criteria for the grant. Applicants should also review the remainder of the policy to ensure they understand what will be expected of them if they are successful in receiving a grant. Pay particular attention to Addendum One, which covers the program changes specific to this current intake.

We strongly encourage applicants to confirm their eligibility before proceeding with their application. For Minor grants, applicants need to fill out and submit the application form. There is no application form for Major grants; instead, applicants should email the Village at [cao@carmacks.ca](mailto:cao@carmacks.ca) to confirm in writing that they would like to initiate discussions and work towards a draft funding agreement with the Village.

#### ***How do I get advice or help with my application?***

There will be an **information session** on **Tuesday, May 12 at 6:30 p.m.** at the Recreation Centre. Village staff and consultants will be on hand to answer questions about the program and help you understand how it might apply to your project.

For information about the policy, grants, or project eligibility, please contact the Village's Housing Accelerator Fund consultant Jane Koepke (Groundswell Planning) at (867) 335-3346 or [janek@northwestel.net](mailto:janek@northwestel.net).

For information about and assistance with a Development Permit (an application requirement) please drop by the Village of Carmacks office at 143 River Drive, call (867) 836-6271, or email [admin@carmacks.ca](mailto:admin@carmacks.ca).

#### ***How can I submit my application for a Minor Grant?***

You may submit your application via email or in hard copy to the Village (see contact information above). All required documents must be submitted at the same time (in electronic or hard copy form).
